

Consulting day – your topic, a full day

One day at your site, 9 to 17 h. You decide which topics we discuss – strategy, organisation, spare parts, an ongoing project, an acute problem or sparring for the head of service.

DURATION

1 day · 9–17 h

LOCATION

At your site

PRICE

CHF 2'200.– incl.
travel in CH

BILLING

Bookable directly
or by quote

What it's about

Not every question needs a project. Sometimes it takes a day with someone who knows service from 25 years of practice – as sparring partner, facilitator or second opinion. You decide the topic. In a short phone call beforehand we clarify how I prepare.

Who it's for

CEOs, heads of service and teams who want to move a topic forward in a focused way without project overhead.

Your benefit

- Flexible: your topic, your date, no project contract
- 25 years of service experience focused on your question
- Results the same day
- Fixed price including travel within Switzerland

Prerequisites

- Topic and goal clarified in the preparatory call
- A room and the right participants
- Documents related to the topic

How it works

- 1 Book directly in the calendar (prepayment) or request a quote
- 2 Phone call (approx. 20 min): topic, goals, documents, preparation
- 3 Preparation for your topic
- 4 Consulting day on site, 9–17 h – at your premises by arrangement
- 5 Short minutes with results and next steps by email

Included

- One day on site, 9–17 h
- Preparatory call and preparation
- Travel within Switzerland
- Short minutes

Deliverables

- Depending on topic: workshop results, decision papers, concept draft
- Short minutes with next steps

Not included and options

MC-BER-020	Deep Dive – comprehensive analysis with report	CHF 4'900.–
MC-BER-1xx	Consulting module with defined deliverables	CHF 5'900.–
MC-ZUS-010	Travel outside Switzerland	at cost

Book the consulting day directly

Choose a free day in the calendar and pay – or request a quote. Afterwards we clarify the preparation by phone.
